Old Business

- L. Parker presented to the board an email from legal counsel regarding the property on New Durham Road owned by Albro / Schertzer. Property owners are requesting once again the redemption penalty be removed from the repurchase price. This is land only. J. Hotchkiss provides a background on this property. Board reviews the email from legal counsel. J. Hotchkiss does not feel that the town should forgive the penalties. J. Mullen feels that we should not set precedence. Town needs to be fair to all residents. Board's decision from previous meetings will stand and the penalty will not be reduced and will remain the same.

New Business

- There is a town owned beach at the end of Birch Road. Resident called today looking to see if he could clean up the area. Board will look into this area and try to figure out what to do with this property. This will be tabled until board reviews the property.
- J. Mammone speaks regarding building fees. Some other towns do not figure fees by square footing, they use per thousand of cost. He is leaving solar panels alone for now needing more information. He is looking to increase electrical to \$50.00 for resident and \$100.00 for commercial. J. Mammone would like to increase occupancy to \$25.00. J. Mammone would like to add a fee to demolition. J. Mammone would also like to add fees to re-inspection. J. Mammone will bring a fee schedule to the next meeting.

Public Participation

J. Mullen motions to adjourn at 7:13 PM. J. Bailey seconds, all in favor.
