

Middleton Conservation Committee Minutes

Regular Meeting,  
January 8, 2018<sup>9</sup>

The meeting was called to order at 10:15 am.

Tom Gardner, Nicole Ramone, Kim Murphy and Carol Vita were present.

The minutes of the December meeting were read and approved.

Emily Lord also came to the meeting. We talked about an easement for Tanglewood. She said that she would get information on steps necessary for an easement.

We also talked about creating a stewardship plan and monitoring a yearly land trust alliance.

We should also get a forest management plan. Tom Gardner previously checked into getting a forester for Tanglewood.

Emily also told me that I could contact Barbara Richter for more information.

Kim Murphy and Nicole Ramone were sworn in as new members of our Conservation Commission.

Congratulations and welcome aboard!!

We are looking forward to working with you.

John Mullen will talk to us at our February meeting about the milfoil situation and a new chemical that he will be suggesting for use in the lake. Although it will be expensive, it should last about 2 years, and divers are expensive, especially when they have to make return diving trips.

The meeting was adjourned at 11:25 am.

Respectfully submitted,  
Carol Vita, Chair
