  - R. Tufts-Keegan made a motion to invite Mr. Hertel to the next meeting to discuss,
  - C. Maynard seconded, motion passed.
- Review Master Plan and CIP with Planning Board:
  - Master Plan We have received draft from Carol Ogilvie. Copies of current plan and draft have been uploaded to the Town's website and are available at the Municipal Office. Capital Improvement Plan J. Kalar reports she has received drafts from the Police, Highway and Fire. Still waiting for Municipal and School. She provided a rough draft she has prepared for the school as reference. She also reported that the Fire and Police can not move their current reserves into the account for the Safety Complex at this time in case they need to spend some of the current funds on the existing buildings.
  - C. Maynard asked if there was potential to eliminate all municipal buildings and have one massive building for Fire, EMS, Police and Municipal Offices.
  - J. Kalar reported that the Town currently does not have the infrastructure to support upcoming needs as the demographic ages.
  - L. Parker asked if the Block Grant funds expire. R. Tufts-Keegan will investigate.
  - C. Maynard expressed concern over how the Town is going to afford all these improvements long term. She does not want to repeat the mistake of when the school was built and we are already outgrowing the facility. How can we be proactive to keep the impact down to the taxpayers?
  - R. Tufts-Keegan explained how to calculate needs, how to spread cost out over the five years to ease the burden on taxpayers.
- <u>Elections</u>: L. Parker and R. Tufts-Keegan will be there all day (7-7). C. Maynard will be there during school hours.

- <u>Legal</u>: BOS met with Drummond-Woodsum today and said they seem very direct and forward. L. Parker liked that they have specialized staff - different groups specialize in different areas, no retainer fee, hours billed method.
  - C. Maynard made a motion to move forward with Drummond-Woodsum on new issues and continue with current legal counsel on current cases, L. Parker seconded, motion passed.
- <u>Deeds</u>: L. Parker is working on the Quit Claim Deeds for the properties sold by the Town that were originally given Deeds with No Covenants. She asked if the Town will pay recording fees, which R. Tufts-Keegan stated the Town should pay the fees since it was the Town's error.
   L. Parker will send a letter to homeowners and get the corrected deeds recorded.

### **Public Comment:**

<u>Dan Saliga</u>: Is there an update on the county's investigation regarding the illegal cameras previously installed at the Municipal Office Building.

C. Maynard will follow-up with the county.

Mr. Saliga asked what the status is with the Old Town Hall cameras. C. Maynard reported that IT has worked on them but there is no audio.

C. Maynard will give L. Parker the camcorder to get working in the meantime.

He also asked about the carpet cleaning contract. R. Tufts-Keegen responded that the contract has been terminated, and we used the credit balance to purchase new carpets.

Craig Moody: Non-Public Meeting concerns – need to have a public meeting to vote to go into non-public and only meeting posted was the non-public. Also, he states the front door was locked and the public wasn't invited. L. Parker responded that we will post public meeting as well moving forward. The Board's concern was that people would come to the meeting and be disappointed that they have wasted time for a meeting that is strictly going into non-public and then adjourning afterward. Future meetings will be posted as a public meeting, with clarification that this meeting is strictly for the non-public issue, no public input is involved. Tracy Donovan-Laviolette: Have we hired any police officers? Not happy about the sign-on bonus. R. Tufts-Keegan stated that recent events haven't helped draw new people, we are looking to hire one new officer at this time. Given environment of chief being out, down to one officer, we have hired one and want to see how that goes for now. She said she not happy about bonus either, we are using it from the current year's budget since there is extra money. C. Maynard voiced concern about giving bonus at the time of hire and losing the employee later. She also added all emergency services are struggling to fill positions. We only have one officer, we need help. Unfortunately, this is the environment we are in for hiring people. L. Parker stated she is against bonuses and contracts. Stephen Rawlinson added he hates to see

this town used as a stepping stone. Craig Moody stated he has yet to see a taxpayer in support of bonuses and requested BOS be mindful of their constituents.

<u>Tracy Donovan-Laviolette</u>: Stated she has noticed a school bus is parked at church again, are we

going back to plowing that lot again? R. Tufts-Keegan will be checking to see why that is happening.

<u>Bonnie Gagnon</u>: Bus driver posted on Facebook that they were passed by three cars while the red lights were flashing. Was that taken care of? R. Tufts-Keegan will follow-up with Sgt. Swift. <u>Stephen Rawlinson</u>: Will we utilize part-time officers? R. Tufts-Keegan responded yes.

<u>Tracy Donovan-Laviolette</u>: Are we doing Police Details? R. Tufts-Keegan responded we haven't done any recently due to lack of staffing.

Bonnie Gagnon: Will Chief Cooper be back? R. Tufts-Keegan stated we can not discuss that.

<u>Craig Moody</u>: Did we get cruiser back? R. Tufts-Keegan answered yes.

Dave Dufresne: Voiced support of current board.

Tracy Donovan-Laviolette: Budget committee needs new members.

Dear Selectmen: I would like to acknowledge the fine service of the waste removal team. They are always timely and thorough, even to the point of retrieving a random, stray, dirty parcel. They are careful and neat with waste containers. Their diligence doesn't wane even in inclement weather.

I did donate \$100 to the two workers as a measure of my gratitude. I'll do the same on Christmas. They do a great job and it should be noted.

| 1 | anonymous | Town hall should be closed on Mondays, so it's open at least 3 days a week. Most holidays are on Monday. So, wensday, Thursday and Friday would be better.  |

| 2 | anonymous | There needs to be weekends open for the town hall   |
| 3 | anonymous | Meeting videos and minutes being posted timely would be great for<br>those of us who can't attend the meetings. It's been months since school<br>board meeting minutes have been posted. These meetings affect our<br>town as well. Haven't seen BOS meeting videos in quite sometime<br>either.  |
| 4 | anonymous | no need to have 5 selectman for a small town its just the buddy system  |
| 5 | anonymous | I think the budgets should increase only when needed as it's possible that certain budget lines could be decreased. Hours should be 8-4 3 days and 10-6 one day. Making it 32 hrs per week which is part time. Or remove the second full time position and make it per diem no more than 24 hrs per week and be open 5 days a week adding a second 10-6 day or possibly even a mid week like 12-6 day to play catch-up with papers. Papers are alway behind when you only work 3 days.  |
| 6 | anonymous | Would like to have the office open to at least 6 pm so people that work could actually be able to do business and not have to take time off from their work schedule to do their required businessMonday thru Friday have a set schedule and not keep changing the days and hours every year or soit's too confusing and hard to keep up with that scheduleAs for increases to the town budgetpeople should get a cost of living increase in their salaries but the wasteful spending needs to stop with the townthe past few years those 3 selectmen have done things negligently and pretty sure some stuff that was against the lawall their decisions have sunk this town and made it worse off because they didn't want to be bothered and didn't know how to do the job as selectmenor just didn't careseems like they were just there for the power, control and limelightso happy now we have 3 lady selectmen that are taking the bull by the horns and are digging their way out of the mess from the previous selectmen in office for the past few years. Would also like to see all the drama and in house childish behaviors stop between all these groupswhat happened to doing what's right for the community and people??? I have hope that our community will be able to move on and be able to become so much better than the mess we have been in the past 2 years. Thank you ladies for stepping up to these tasks!!!!! |
| 7 | anonymous | As far as the town hall being open it would be nice if the hours were staggered. Maybe one day a week open early hours and the other days open later hours.   |

| 8  | anonymous | clerk and deputy should not work at the same time - spread hours out to cover more time. select board meetings should be on weekends to make it easier for people to attend. why is there such a high turnover in administrative people? |  |
