## **June Budget Review**

Budget vs Actual Statement for the Six Months Ending June 30, 2023, was reviewed page by page.

*June Budget vs. Actual Statement Page 1*

**K. Blaney** asked if the Deputy SSBK line was for the Administrative Assessing Clerk. T. Donovan-Laviolette will confirm.

**K. Blaney** asked what was included in the postage line. It is for all postage including tax bills and certified mail for the Planning Board.

**K. Blaney** asked if anything was spent from the Rest of Records line last year.

**K. Blaney** said the money for the Tax Map Update could be moved back to 2022 by a journal entry.

*June Budget vs. Actual Statement Page 2*

There was discussion about electricity going up in July, most likely due to air conditioning costs. There should be a decrease next quarter when the benefits of joining the co-op are realized.

**A Bowden** asked if we anticipated going over budget for the legal line.

**R. Tufts-Keegan** said she thinks we will come in right around budget.

**K. Blaney** asked if there was a CRF for repairs. She suggested the BOS discuss renaming and reclassifying some of the existing CRFs, for example, for the Fire Department. **R. Tufts-Keegan** agreed.

*June Budget vs. Actual Statement Page 3*

**B. Gagnon** asked what are we paying the new officer and will it include the EMS pay. **T. Donovan-Laviolette** said it does not include EMS pay and she will follow up on the salary.

**K. Blaney** asked why only the Chief is getting a cell phone stipend. **T. Donovan-Laviolette** said the on call officers did not want flip phones. **R. Tufts-Keegan** said we haven't had any on call since January.

**C. Maynard** asked if we have an officer on the night shift. **R. Tufts-Keegan** said yes, the evening shift, but not yet seven days a week. We have two full time officers and the Chief.

**K. Blaney** asked about Uniforms being over budget. **C. Maynard** said uniforms are not purchased every year and they are replacing two sets every few years. **T. Donovan-Laviolette** said we don't have a laundry service. **C. Maynard** said they use Farmington and Milton. **T. Donovan-Laviolette** said they aren't washed after every call.

**C. Maynard** said Communications should be less than 41.65% expended because we were credited by Comstar for the time the computers in the cruisers were not functioning correctly.

*June Budget vs. Actual Statement Page 4*

K. Blaney asked if the Code Enf Salary was a stipend. R. Tufts-Keegan says it's a stipend, but he does track his hours to be sure he doesn't get paid under minimum wage.

K. Blaney asked what was in the Supplies line. R. Tufts-Keegan said it includes a laptop that replaced a desktop.

**K. Blaney** asked if we get re-imburased for the School Gasoline. **K. Beaulieu** said yes, the school gets billed for it.

*June Budget vs. Actual Statement Page 5*

There was some discussion about the CRF Revaluation account. **K. Blaney** said that money should be in a 5000 account so it doesn't affect the bottom line and look like the account is over-expended 4900 is just out for the CRF. It should be treated similar to the ARPA Expenses.

**K. Blaney** suggested for next year it may be more accurate to budget for gasoline based on per gallon used and the average cost per gallon throughout the year rather than on how much money was spent in total.

**K. Beaulieu** said they hired a Media Specialist and two teachers.

Budget vs Actual Statement for the Seven Months Ending July 31, 2023, was reviewed page by page.

*July Budget vs. Actual Statement Page 1*

**K. Blaney** asked if we needed a new voting machine. **R. Tufts Keegan** said yes, we will have to purchase one in 2025. They range between \$4,000 and \$7,000 and she believes the state is selecting the machine we will have to purchase. She suggested we put it in a warrant article once we know the price.

**K. Blaney** asked if there was any ARPA money left. **R. Tufts-Keegan** said there is around \$40,000. **T. Donavan-Laviollete** said we are getting close to finalizing new flooring bids for the municipal building. Also, money was allocated for mini-splits which will be installed shortly.

**C. Maynard** said the mini-splits should help with the electric bill.

**K. Blaney** asked how often tax bills were mailed out. Will there be another bill for paper? **R. Tufts-Keegan** thinks it was ordered all at once.

*July Budget vs. Actual Statement Page 2*

Nothing to discuss

*July Budget vs. Actual Statement Page 3*

**K. Blaney** asked if the alarm system was upgraded.. **R. Tufts-Keegan** said there was a one time unexpected upgrade

*July Budget vs. Actual Statement Page 4*

**C Maynard** asked why the medical supplies were so high. **A. Bowden** explained they inspected all of the supplies and many items needed to be replaced because they were expired. Flipping the truck to the medic level was a large part of that line. Everyone in the department was trained on the new CPR machine. Next step will be getting the Police Department trained on it, then the Highway Department.

**R. Tufts-Keegan** said the overtime line was for road paving.

*July Budget vs. Actual Statement Page 5*

**K. Blaney** asked if hot top/cold patch would go up more. **R. Tufts-Keegan** said it's doubtful.

There was discussion about the Signs line. Several had to be replaced. For example, Adams Way and Buttermilk.

**K. Blaney** said 40,000 should not be in Hwy Block Grant. It's a zero line. **R. Tufts-Keegan** said it was moved to 4900-40 on page 6.

**K. Blaney** asked if we were going to budget next year for re-cycle. **R. Tufts-Keegan** said we typically don't, but put \$1 there because it's a small amount, but we know there will be a charge. We could look at prior years and account for it.

**C. Maynard** asked what Cocheco Valley Dues is for. **R. Tufts-Keegan** said that's part of the AC line in case we have to drop off a dog. We don't normally have to do that.

*July Budget vs. Actual Statement Page 6*

**Dan Saliga** asked what the Town Clerk Refund was for. R. Tufts-Keegan said it was probably old taxes. She will investigate.

There was a discussion about Welfare Expense being 0 year to date. There has been a lot of activity, but most likely not many people meet the qualifications. The person who manages that is paid a stipend.

**K. Blaney** asked why no money was spent for Haven Violence Protection. It has to be requested in a letter and no one has requested funds.

**B. Gagnon** asked what the Potential Land Donation is under CC Legal Fees. **R. Tufts-Keegan** said someone was considering donating some property in Tanglewood, but the town declined because of the fees that would be incurred.

#### *Middleton School District June 2023 Financial NOT Final*

**R. Tufts-Keegan** was at the end of the year meeting. She was told the anticipated number should be fairly accurate and may go down a little. It has to be finalized by September 1. She expects it will be 295-300k.

**A.Bowden** asked are we fully staffed for teachers. **K. Beaulieu** said we are fully staffed in the fall with teachers. We have our Media Specialist. We still need a Para. We're all set in the kitchen, but we need a bus driver and we need a Reading Specialist. We have a new 3<sup>rd</sup> grade teacher and another one. They came from Wakefield and Farmington. We were paying Governor Wentworth to help manage the kitchen because our Kitchen Manager left.

There was discussion about the number of students. We are trending downward right now. There is a possibility that may change in the future.

**R. Tufts Keegan** said as of August 9th there are 18 children in Kindergarten, 18 in 1<sup>st</sup> grade, 29 in 2nd grade, 24 in 3rd grade, 22 for 4<sup>th</sup>, 16 for 5<sup>th</sup> and 18 for 6<sup>th</sup>.

There was discussion about the number of children in high school.

**R. Tufts Keegan** talked about property where a garage currently is that was potentially an option for classroom space. There are certain requirements that have to be met because it's under a dredge grant.

**C. Maynard** asked if there is a plan if the numbers go up. There was discussion about options for the future as the town grows and potentially outgrows the building. There was also discussion about how and why the demographics and growth predictions have changed.

#### **Approval/Review of Minutes**
