Attendance: Bonnie Gagnon, Selectman Katrina Vernacatola Gail Jones, Kate Buzard

### **Tanglewood Parcel Management Update**

The Committee discussed the plan for the Tanglewood parcels to be merged, with the combined area currently under joint management by the Board of Selectmen and the Conservation Commission.

The Conservation Commission intends to request sole management of the merged parcel at Town Meeting in March 2027.

Approval of Minutes On a motion by Bonnie, seconded by Gail, the minutes of June 17, 2026 were approved.

### **Committee Acknowledgment**

Kate thanked all members and participants for their contributions to the Tanglewood Watershed Protection Area effort. Whether members stayed involved throughout or participated early on, their time, ideas, and commitment were appreciated, especially given everyone's busy schedules.

### **Committee Status — Motion to Place on Hiatus**

Motion: Kate made the motion to place the Tanglewood Watershed Protection Area Committee on hiatus, with all committee activity suspended until or if such time the Board of Selectmen or the Conservation Commission determines that the Committee should reconvene.

Second: Bonnie Motion passed.

Kate noted that with the Selectboard and Conservation Commission moving toward joint management of the merged Tanglewood parcels, the subcommittee will now be placed on hiatus, preserving the option to reactivate it in the future if needed. The work itself continues through the Conservation Commission, and anyone interested in staying involved is encouraged to volunteer there.

Adjournment On a motion by Bonnie, seconded by Katrina, the meeting was adjourned at 6:00 p.m.

Minutes respectfully submitted by: Kate Buzard
