**Old Business:**

- ❖ Treasurer report R. Keegan wonders about outstanding checks. Why we have so much. J Hotchkiss says majority checks are from July. J. Hotchkiss has talked with the bank. And it is a process to send it to the NH treasurer. Ending balance of administrative report and treasurer should match. They do not. R. Keegan wants to know why sandy doesn't balance. Selectman stated they can't do anything for an elected position. Many attempts to help the treasurer. But it has not helped. R Keegan doesn't understand why they don't match still. J Hotchkiss says if she was appointed then we would have different options. J. Hotchkiss says they will have a talk with the treasurer. L parker says the admin doesn't have to reconcile. That's the treasurer job. J. Bailey thinks it has to do with computer literacy. T. Bailey ask to see if the treasurer can be appointed. J bailey says we can not it has to go through the state. R. Keegan we should be relying on the treasurer report not the admin. J. Hotchkiss states he will be having a meeting with the treasurer, to go over the complaints.
- ❖ Cell tower update J. Knapp went there this afternoon, and nothing has change. They are working on the shelter. Jim Knapp says its going to be a while before we are online. J. Knapp says this is typical for a cell tower.
- ❖ Fire addition is coming along great Moody Builders will be there tomorrow. Roofing is coming finish framing, and interior walls. Hopefully this week. Septic is being done at state level for approval.
- ❖ J. Hotchkiss wants to know why the files haven't seen the personal files. G. Parks will see what is holding them up.
