Instructions for Permit Applications

1. All information must be printed legibly.

2. All information requested must be supplied by the applicant.

3. Complete description of work to be done.

4. Plans must be submitted on all new buildings and major renovations. Notes: The burden for compliance with all applicable codes, town ordinances and State laws rest solely upon the property owner and their agent. Plans must be submitted to the Middleton NH Code Enforcement Department for approval.

Obtain the necessary permits before ANY work has begun. Plumbers must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable. If this is an "After the Fact" permit, it will be subject to a fee two times the normal permit fee.

The property owner may perform their own plumbing work on their residence if he or she lives at the residence and the residence is a Single-Family Dwelling occupied by the owner of record as primary residence.

 INSPECTIONS REQUIRED: (Please provide 48-hour notice.)

1. Underground/ foundation pipe installation

2. When rough-in is complete and visible.

4. When job is complete, prior to occupancy.

Statement of Compliance: I have read and understand the statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit.
