## RE: VETERAN'S CREDIT CHANGES

Dear Veteran:

As you may be aware, on March 14, 2026, at Town Meeting, voters approved the following warrant articles that affect Veteran's Credits:

**Article 25:** Pursuant to RSA 72:28, to see if the Town will vote to increase the Optional Veteran's Tax credit to seven hundred and fifty dollars (\$750).

**Article 26:** Pursuant to RSA 72:28-b, to see if the Town will vote to adopt the All Veteran's Tax credit in the amount of seven hundred and fifty dollars (\$750).

**Article 27:** Pursuant to RSA 72:29-a, to see if the Town will vote to increase the Veteran's Tax credit for Surviving Spouse to one thousand dollars (\$1,000).

**Article 28:** Pursuant to RSA 72:35, to see if the Town will vote to increase the Veteran's Tax credit for Service-connected Total Disability to four thousand dollars (\$4,000).

Our records indicate you are currently receiving the Standard/Optional Credit and/or the Service-Connected Total Disability Credit. *The amounts will increase automatically before the next tax bill is issued.* **You do not need to take any action.**

You may **not** be aware, due to 2025 legislative changes, veterans who qualify for the Service-Connected Total Disability credit cannot also receive the Standard/Optional or the All Veterans Tax Credit. Therefore, if you are receiving the Service Disability Credit, the Standard/Optional Credit will no longer apply and you are not eligible for the All Veteran's Credit.

If you have any questions, contact the Administrative Clerk at 603-473-5208.

Thank you for your service.
