## VETERAN'S CREDIT CHANGES

On March 14, 2026, at Town Meeting, voters approved the following warrant articles that affect Veteran's Credits:

**Article 25:** Pursuant to RSA 72:28, to see if the Town will vote to increase the Optional Veteran's Tax credit to seven hundred and fifty dollars (\$750).

**Article 26:** Pursuant to RSA 72:28-b, to see if the Town will vote to adopt the All Veteran's Tax credit in the amount of seven hundred and fifty dollars (\$750).

**Article 27:** Pursuant to RSA 72:29-a, to see if the Town will vote to increase the Veteran's Tax credit for Surviving Spouse to one thousand dollars (\$1,000).

**Article 28:** Pursuant to RSA 72:35, to see if the Town will vote to increase the Veteran's Tax credit for Service-connected Total Disability to four thousand dollars (\$4,000).

***If you are eligible for the newly adopted All Veteran's credit, you must fill out an application by April 15 for it to be effective in the next tax bill. The updated worksheet and application are available at the Municipal Offices and on the Town website (Middletonnh.gov) under Documents, Assessing.***

If you are currently receiving the Optional credit and/or the Service-connected Total Disability Credit, the amounts will increase automatically before the next tax bill is issued.

You can receive either the Service-connected Total Disability Credit or the Optional Credit, but not both. If you are receiving the Service-connected Total Disability Credit, the Optional Credit will no longer apply. This is a recent change in State Law.
